

I am pleased to submit my application for the Raleigh Regional Association of Realtors® Board of Directors. Continuing to learn and develop my leadership abilities within our organization has been an incredible experience. My role and involvement with our Realtor®PAC and GPIC Committees have given me valuable tools and experiences that I will use to help lead our association as a member of the Board of Directors. I am also a student of the 2021 Class of the Triangle Leadership Academy here at RRAR. Triangle Leadership Academy is providing the structure and environment for me to learn more intimate details about our local, state and national associations all while incorporating specialized leadership training. I will bring a fresh perspective on important issues that we as Realtors® are faced with every day. It is also important to me that we continue strengthening our role in this critical industry and remain relevant for future generations.

If elected, I will work tirelessly for you and our membership. Our industry is evolving every day and I want to be instrumental in how we adapt and move forward. I appreciate your time and it will be an honor to serve our membership if I am fortunate enough to be elected.

Thank you again for your time and consideration.
