

Personal Statement for Director Position

I hope you have already had the opportunity to read my personal statement above as I am running both for Secretary Treasurer and for Re-Election as a Board member. Your vote in both places would be greatly appreciated!!!

Rather than repeating my personal statement, please allow me to share how much it has meant to me to serve an industry that has provided me with a career that I still love after many years! The relationships, knowledge and fun that come with serving or giving back through our Association has been a real asset to my life and career. If you have a desire to get involved, I welcome a conversation with you.

Meantime, thank you for voting and again, I will humbly ask for your vote both here, as a Director and above, as your Secretary/Treasurer.

Thanks,

Brenda
