

## **Personal Statement for RRAR Board Elections by AnnMarie Janni**

### **Experience**

I have been a REALTOR with RRAR since my career began in 2001. Over the course of my career I have been an individual agent, team leader of a smaller team (4 people), a Broker in Charge and currently serve as the leader of Element Realty Group @ Allen Tate Realtors. I guess you can say I've done (almost) everything.

As an active REALTOR I understand the challenges we face.

### **Service To Our Profession**

I am currently completing my first term as a RRAR Board Member and hope you will allow me to continue serving. In addition I am a NC Realtors Board Member and the Communications Leader for RRC of NC.

I think it's extremely important to give back when you can and I think I will represent our membership well as a Board Member.

### **Perspective**

I am an active REALTOR and celebrating my 20th year in 2021. I work IN our profession every day/all day. Negotiating contracts, attending meetings, guiding our team and offering advice and support to other agents whenever they ask. I get what we do, the challenges we face and the concerns we have.

I will bring that experience and voice to this role.

***Our biggest rewards come when we share our knowledge and experience with others and I'm looking forward to doing just that. I hope you will vote for me. It will be my privilege to serve you for another term.***
