My goal has always been to serve my fellow Realtors® in ways that would make it possible for them to be more successful through better education and technology, as well as working to provide support for those less fortunate not only in the Triangle area but across North Carolina. Helping with apartment makeovers, Angel Tree projects, backpack stuffing, emergency AC deliveries, food bank drives and the NC Realtors® Gives Back Day and various other ways of volunteering to help others in need has been very rewarding to me and something I plan to continue to do.

Please consider me as your choice for Secretary/Treasurer. My years of service and dedication to our association is consistent with my passion to serve our industry. I am proud of what we do as an association and want to continue standing on the front line for YOU our members. Thanks again for your support.
